Lorenzo Abundiz and Peggy Abundiz

Universal City, CA - Code 3 for a Cure (C3FAC) will be featured on Hallmark's HOME & FAMILY Show. The show will air twice on August 18 and a third time on August 19 on the Hallmark Channel. During the show, Founders Lorenzo Abundiz (President) and Peggy Abundiz (Public Affairs Officer), who are hus-

band and wife, will share the story behind Code 3 for a Cure and why it was formed. They will discuss the high rate of cancer among firefighters and why support is needed for firefighters across the country who are battling the disease.

Also spotlighted will be Peggy's athletic quest to bring attention to the C3FAC cause by competing in races wearing the extra weight of firefighter gear, including helmet, fire boots, and SCBA (Self-Contained Breathing Apparatus). Peggy wears the gear to represent Lorenzo, a decorated firefighter and Medal of Valor recipient who has fought three different battles with cancer. In competing for C3FAC, Peggy joins firefighters and citizens alike across the nation who represent the C3FAC cause at their various races and athletic competitions.

Code 3 for a Cure is a national nonprofit 501(c)3 public charity addressing firefighter cancer. A major aspect of its purpose is to provide financial assistance to firefighters (whether active or retired and whether salaried, paid call, or volunteer) across the United States who are battling cancer and facing a financial hardship. Code 3 for a Cure also brings attention to the issue of firefighter cancer and helps minimize the impacts of cancer among firefighters. Read more at www.c3fac.org.
