

CALLING ALL ATHLETES

Help the Code 3 for a Cure Cause To Assist Firefighters Battling Cancer

Join our team! You can become an Athletic Warrior for CODE 3 FOR A CURE by dedicating the races you participate in to the cause. Athletes who fundraise receive rewards based on the amount of funds they raise. For example, a t-shirt is earned after setting up a fundraising page per the instructions below and raising your first \$25, a Challenge Coin after raising \$100, and a Code 3 Warrior Helmet Shield after raising \$500.

HOW TO FUNDRAISE: Go to <http://www.active.com/donate/code3foracurefound>. In the right column, click on "Individuals: Click here to build your personal fundraising page," then register and set up your page. There is no cost to you and the site tracks everything for you. Checks are sent to Code 3 for a Cure by Active Network on a regular basis with no further work on your part, beyond initially setting up the page and telling people about it. For detailed instructions on how to set up your page, to view samples of fundraising pages that have been set up by others, and for other fundraising options, visit <http://www.code3foracure.org/athletes.html>. To receive a FREE information packet, write to: firefighters@code3foracure.org. Include your name and mailing address.
